Sutter Solano Cancer Center Offers Free Skin Cancer Screenings During Skin Cancer Awareness Month

VALLEJO, Calif.— In honor of Skin Cancer Awareness Month in May, Sutter Solano Cancer Center (SSCC) is encouraging local residents to determine their risk of skin cancer at FREE skin cancer screenings. SSCC board-certified dermatologists, Serena Mraz, M.D., and Christine Kilcline, M.D., will examine and offer consult for those interested in maintaining healthy, cancer-free skin.

WHO: Dr. Mraz and Dr. Kilcline, both board-certified dermatologists, are on staff at SSCC and practice with Solano Dermatology Associates.

WHAT: Dr. Mraz and Dr. Kilcline will assess local residents' risk of melanoma and other skin cancers through an exam and consultation.

WHEN & WHERE:

- 1) Monday, May 12
9 a.m. to 12 p.m.
Solano Dermatology Associates Office
2290 Sacramento Street in Vallejo
- 2) Tuesday, May 13
9 a.m. to 12 p.m.
Sutter Solano Cancer Center
127 Hospital Drive, Suite 204 in Vallejo

WHY: To educate and inform the public about the risk of skin cancer. SSCC also hopes to guide people who have signs of skin cancer through diagnosis and treatment.

To schedule your screening, call SSCC at 707-554-5326. For more information visit www.suttersolano.org/cancer.

About Sutter Solano Medical Center

For more than 100 years, SSMC has been committed to the community by providing emergency care, delivering babies, and serving others in time of need. The medical center has 111 licensed beds and is fully accredited by The Joint Commission, an independent, non-profit with the mission to continuously improve the safety and quality of care provided to the public.

Sutter Solano Cancer Center is fully accredited by the Commission on Cancer of the American College of Surgeons—a recognition only one in four cancer centers receive. Comprehensive cancer services include chemotherapy, infusion therapy, laboratory and pathology, pain management and radiation therapy.

SSMC is part of Sutter Health, a not-for-profit network of hospitals, doctors, and nurses who share expertise and resources to advance health care quality.
