Sutter Solano Appoints New Board Members

Coan and Miller will serve the Sutter Solano Charitable Foundation

FAIRFIELD, Calif.—Fairfield resident Michael Coan and Vallejo resident Jack Miller have been appointed to serve on the Board of Directors for the Sutter Solano Charitable Foundation (SSCF), the philanthropic non-for-profit organization that raises fund for the two Sutter affiliates in Solano County—Sutter Regional Medical Foundation (SRMF) and Sutter Solano Medical Center (SSMC). Coan and Miller will serve with the other board members to work to improve the health and quality of life of residents in Solano County communities.

Coan, born and raised in Vallejo, is a Law Firm Manager in one of Vallejo’s leading law firms, and was appointed to the Governmental Affairs Committee of the Vallejo Chamber of Commerce in 2008.

“The Sutter Solano Charitable Foundation Board is instrumental in the continued development and economic stability of both Vallejo and Solano County,” says Coan. “It’s important that Sutter Solano’s presence in Vallejo continues to be strong and viable.”

Miller, a CPA, brings over thirty years of financial planning to the board. He is a past president of the Vallejo Rotary Club, CFO of the volunteer board of Leadership Vallejo, and for 13 years he’s been active in the Solano County YMCA. “I want to give back to the community in a special way,” says Miller. “Health care will grow in significance as the Baby Boomer generation ages.”

“We welcome our new members,” says Steve Epps, SSCC board chair. “Michael's legal expertise and Jack's financial counsel will be welcome additions to the Board's

effectiveness in planning for the future of Sutter Health and its role in community health care.”

About Sutter Solano Charitable Foundation

Sutter Solano Charitable Foundation (SSCF) is dedicated to help support numerous worthwhile programs and services. SSCF solicits philanthropic gifts that fund programs, services, education, capital improvements and patient care at Sutter Solano Medical Center and Sutter Regional Medical Foundation. SSCF’s mission is to help meet the growing needs of the two organizations and of care centers in Fairfield, Vacaville, Vallejo and Rio Vista. For more information on how to become involved with supporting health care in Solano County, please visit suttersolano.org/philanthropy.
